

White Coat Mafia Tyranny

By Greg Hunter, USAWatchdog.com, 6 February 2022

Dr. Elizabeth Eads is on the frontline of medicine, treating patients who have been injected with the experimental CV19 so-called “vaccines.” Dr. Eads is back to update us on what she calls a “genocide.” Dr. Eads continues to say the CV19 injections are not vaccines. They are “bioweapons” being administered by evil medical professionals. Dr. Eads explains, “We are in a complete ‘White Coat Mafia’ tyranny right now. This is a depopulation agenda. Whether people want to believe it or not, this is the New World Order. This is the 13 bloodline families. This is Vanguard and Black Rock, who own everything, including all of Big Pharma and all of the companies that own the CDC. They own everything. This is their agenda to depopulate and control people with these vaccines. We know we are being injected with nano and AI, and they want to turn us into trans-human figures that they can control.”

Did we need the vax in the first place when HCQ and Ivermectin were withheld and would have cured Covid? Dr. Eads says, “No, we did not need the vax. This is an evil agenda to harm as many people as possible. . . . There are 5% to 7% lethal batches being distributed around the world. After the first shot, your immune system is depreciated by 30%. After the second shot, it’s depressed by 50%. After the third shot, it’s anywhere from 60% to 80% depressed. After the 4th shot, your immune system is 80% plus depreciated. Every few weeks after that, you lose another 5% of your immune function. . . . We also know that HIV has been spliced into some of these lethal vials. That is causing an AIDS (acquired immunodeficiency syndrome) like complete immune collapse. . . . We have absolute proof of what ingredients are in these vaccines, and HIV is one of them.”

Dr. Eads talks about the recent bizarre FDA approval of the Moderna CV19 vax. There are many questions as to how it got so-called “approval.” One of the big things the FDA overlooked, according to Dr. Eads, is data showing a “400% increase” of heart problems after the Moderna vax.

In closing, Dr. Eads says what we are seeing today with the vax bioweapon is nothing short of a modern day version of “marching people to the gas chambers.”

Eads also says hospitals and doctors are getting “bonuses” for practicing medicine that is murdering patients. Eads says, “You cannot tell me, at this juncture, that hospitals and doctors do not know what they are doing. The pharmacists, doctors and nurses have made a choice to keep their jobs. They have chosen money over wellness and health and saving people. It is disgusting.”
