The Truth About The Conflict With Russia And The Coming Death Of The US Dollar As
World Reserve Currency

“The truth is incontrovertible. Malice may attack it, ignorance may deride it, but in the end, there it is.” – Winston Churchill

The current conflict between the US and Russia is due to one simple reason: the Ashkenazim, also known as Ashkenazi Jews. They have many scores to settle with Russia.

REVENGE 1

Allow us to forward a bit of chronological tables as we delve into the nitty-gritty behind the conflict.

The [Ashkenazim](#) are the descendants of [the Gentile \(Goy\)](#) Ashkenaz, the Japhetite.

*“The sons of Japheth were Gomer, Javan... The sons of Gomer: **Ashkenaz**, Riphath, and Togarmah.” Genesis 10:2,3*

“By these were the isles of the Gentiles divided in their lands.” Genesis 10:5

They are a resilient, **roaming** Turkic people. They have a knack for reinventing themselves. They first surfaced in world annals as the notoriously barbaric Scythians or Sakadeans, depending on regional phonetic.

“Here there is no Gentile or Judahite, circumcised or uncircumcised, barbarian, Scythian, slave or free, but Christ is all, and is in all.” Colossians 3: 11

The word [Scythian](#) or Sakadean comes from the word Saka – with its Iranian verbal root Sak, meaning **to roam**. The Iranian Empire, then named Parthia and abutting Scythia, influenced that word.

The Scythians settled Central Eurasia which they conquered with their Gentile brother Togarmath and various other cousins, expanding across a vast track of land that encompassed but was not limited to parts of present-day Turkey and Iran. Their Gentile brother Riphath along with their uncle Javan's descendants settled in Greece.

Later on, they reinvented themselves and settled [a land](#) they would call [Khazaria](#) – from the word [Qasar](#), with its Turkic root Qaz, meaning **to roam** – following the break-up of the western Turkish Steppe Empire. Then the country converted en masse to [Judaism/Pharisaism](#), sometime between 740 and 920 AD, just so they could remain independent of the two competing empires of that time, Christianity and Islam.

“[Judaism](#) was the most actively proselytizing religion,” [explained](#) Jewish historian Shlomo Sand. “The most significant mass conversion occurred in the 8th century, in the massive Khazar kingdom between the Black and Caspian seas.”

Khazar Ashkenazi Jews 1878

Biding their time, they nurtured their hatred and plotted their revenge along with a new reinvention. They became the power behind the heinous Bolsheviks who took over the Russian government in the 1910s, killed [66 million Christians](#), including 200,000 members of the [Christian clergy](#), and destroyed 40,000 churches.

Solzhenitsyn with Putin

“You must understand, the leading Bolsheviks who took over Russia were not Russians,” revealed famed Christian Russian writer Aleksandr Solzhenitsyn. “They hated Russians. They hated Christians. Driven by ethnic hatred they tortured and slaughtered millions of Russians without a shred of human remorse. It cannot be overstated. Bolshevism committed the greatest human slaughter of all time. The fact that most of the world is ignorant and uncaring about this enormous crime is proof that the global media is in the hands of the perpetrators.”

The great majority of [these vicious Bolsheviks](#) were [Ashkenazi](#) Jews [such as](#) Vladimir Lenin, Leon Trosky, Lev Kamenev, Gregory Zinoviev, Yakov Sverdlov, and Grigory Sokolnikov. They were financed by Ashkenazi bankers from New York and London, such as [Rothschild Bank](#) and [Jacob Schiff of Kuhn and Loeb & Co.](#), who themselves championed the destructive ideology of the Ashkenazi Karl Marx, and found it profitable to invest in Communism's disastrous conquest of Russia, while making a few bucks in the process by plundering the country via well placed agents who would later be known as "[oligarchs](#)." Russia's entire Soviet Empire collapsed in 1991. Thus the Ashkenazim succeeded in bringing Russia to its knees.

Revenge Round 1. Done.

REVENGE 2

Khazaria overlapped Ukraine & Crimea

Today, Russia is under fire for the conflict in Ukraine. A conflict that was started by the neocon Ashkenazi Victoria Nuland in the US State Department, with her neocon Ashkenazi husband [Robert Kagan](#) working in the background via powerful organizations such as Project for a New American Century, the Brookings Institution, and Council on Foreign Relations. The Ashkenazi [George Soros](#) also contributed financially to the Ukrainian Maidan "Revolution."

"Many of the participants in Kiev's 'EuroMaidan' demonstrations were members of Soros-funded NGOs and/or were trained by the same NGOs in the many workshops and conferences sponsored by Soros' International Renaissance Foundation (IRF), and his various Open Society institutes and foundations," wrote William F. Jasper in [The New American](#). "The IRF, founded and funded by Soros, boasts that it has given 'more than any other donor organization' to 'democratic transformation' of Ukraine."

In other words, the Ashkenazim – or the Jewish neocons – are goading the Russian bear by wagging the American dog. The dog can't really decline because [AIPAC](#) has it by the groin, bribing equally both the Republicans ([Trump included](#)) and the Democrats, who are nothing but political whores willing to [betray](#) their country and risk the peace of the world. And remember, AIPAC is controlled by powerful Ashkenazi-American business leaders. See [How the Ashkenazi Jews conquered the West](#).

Their sole purpose is to destroy Russia once again by starting a fire in its underbelly, Ukraine. A fire [they're planning](#) to spread into Russia proper via economic and military warfare – not unlike what they did to Germany with [the economic boycott of 1933](#) followed by all out military conflict. Why?

1. Because Russia had the gall to rise from its still warm Ashkenazi-induced ashes.
2. Because Russia had the temerity to arrest their well-placed thieving agents known as “oligarchs,” with some fleeing the country to Apartheid Israel.
3. Because Russia had the audacity to impede the American war on Syria, which was [orchestrated by AIPAC](#) for the benefit of Israel, a vile [Apartheid country](#) that is [fleecing the American people](#).
4. Because Russia threatens the [Ashkenazi-Jewish domination of the US Dollar](#) as the World Reserve Currency and as issued by the Jewish-controlled Federal Reserve: a monopoly Russia is undoing with its unexpected global reemergence, especially in Europe, Asia, and the Middle East where trade with Russia bypasses the US Dollar. Such a comeback by the Russian Bear is something [the Jewish elite](#) has been trying to impede since the dissolution of the Soviet Union. They have been relentless in their effort to keep the country down by erecting economic walls and, later on under Putin, crippling sanctions to prevent such a scenario. [Anuradha Chenoy explains](#):

“...The United States government, as the issuer of the world’s reserve currency, is only interested in one thing: the proliferation of the US dollar. This single fact is all one needs to grasp to truly understand US foreign policy.

*“What does this mean in practice? It means that the US government, **in collusion with the Federal Reserve**, has the ability to print the US dollar at will... and can export its inflation to the rest of the nations of the world. Any nation that wishes to engage in international trade, including the purchase of commodities such as natural gas or oil, must maintain massive US dollar reserves to enable its purchases.*

“The world, in effect, acts as a sponge to absorb US inflation, allowing the US government to amass obscene deficits that enable a massive military budget and [enrich a very small portion of the US population](#) at the expense not only of the world’s population, [but also of the American working class](#).

As for any nation that wants to break free of the US dollar, we know all too well what the US has in store for them...This is where the Russian Federation comes in. If one really wants to understand why the US establishment hates Russia under Vladimir Putin, all one must do is understand the dollar’s role in the world. Russia is a direct threat to the proliferation of the US dollar.

“For its part, the Russian Federation has become quite resilient over the last 20 years and much less susceptible to any outside pressure or influence... Russia is a sovereign nation that is not intimidated by the United States.

“The United States cannot simply launch a military strike against the Russian Federation as it did in Iraq and many other nations that rejected dollar hegemony. Russia now has the power to prevent the proliferation of the US dollar. To return to the sponge analogy: Russia is reducing the size of the sponge. This leaves the US government with a smaller and smaller number of countries to export dollar inflation to. The smaller the sponge becomes, the more desperate US foreign policy becomes, as US leaders try by all means to preserve their grip on world power...”

.... to benefit a small Jewish elite and [their Apartheid country](#) that serves as their go-to haven in case things suddenly stop going their way. Apartheid Israel doesn’t exist as a home for all Jews because of so-called global [Anti-Semitism](#) as they claim, but it is:

a) [the protector](#) of the Federal Reserve – Israel’s spy agency, the Mossad, spies on American politicians and [blackmails them](#) with their dirty laundry, at the same time that [AIPAC](#) shamelessly [bribes them](#), thereby securing Jewish dominance over the US Dollar, the world’s current reserve currency;

b) the emergent sanctuary for Jewish elitist criminals – especially for when there’s a real American revolution, similar to what occurred in Russia under Putin, that targets Jewish Oligarchs [destroying the US economy](#) to enrich themselves.

Therefore, because Russia is a threat to the Jewish American-Ashkenazi elite’s grip on world power, it is targeted.

Revenge Round 2. In progress.

REVENGE 3

After the destruction of Khazaria, a great number of Ashkenazim scattered East and West throughout Europe and reinvented themselves as [Errant Jews](#) or [Wandering Jews](#) – meaning **Roaming** (Khazarian/Sakadean or Scythian) Jews. That label had nothing to do with a longing for Palestine but a longing for Khazaria or perhaps a longing for a new land, [any new land](#). Here’s an excerpt from Wikipedia:

*In 1903 Theodore Herzl presented the British **Uganda Program** at the Sixth Zionist Congress in Basel.*

*In the late 1930s, the British Zionist League considered a number of other places where a Jewish homeland could be established. The **Kimberley region in Australia** was considered until the Curtin government (in office: 1941–1945) rejected the possibility.*

*With the support of the then Premier of Tasmania, Robert Cosgrove (in office from 1939), Critchley Parker proposed a Jewish settlement at **Port Davey, in South West Tasmania**. Parker surveyed the area, but his death in 1942 put an end to the idea.*

*The Jewish Autonomous Oblast set up in the **Russian Far East** in 1934, represented a Soviet approach to providing a Jewish homeland.*

In the wake of World War 2, a great number reluctantly assimilated themselves throughout the Americas. However, the great majority migrated to Palestine where they created many terrorist groups such as the [Irgun](#), the [Stern gang](#), and [Haganah](#). They terrorized the Palestinian population, killed thousands upon thousands, and forced hundreds of thousands out of their homes and into neighboring Arab countries. Consequently, they [stole](#) Palestine and renamed it Israel in order to reinvent themselves as Hebrews and hoodwink gullible Christians in the West.

“It is certain that there is no ethnic or racial continuum between the Biblical Israelites and the (Ashkenazic) Khazarians who lead the Jewish state,” wrote [Gilad Atzmon](#), Jewish writer and musician.

In their adoptive countries outside of Israel, including the US and Europe, the Ashkenazim have become financial and influential powerhouses, not because they’re Jews – at heart the majority of them are really not religious at all and couldn’t care less – but because they’re [a shrewd people](#). They have learned much from their roaming throughout history, and they assimilate themselves fast and hard. They’re the ultimate Nomads.

Was this on Putin’s mind?

Now could it be that, after two successive ideological failures in the forms of Communism and the current slow-motion destruction of Zionism in Israel, somewhere deep inside the minds of die-hard Ashkenazi leaders lies a plan for a new reinvention?

Will that reinvention be the re-conquest of their Khazar Khaganate – a land that is situated deep inside Russia and encompasses Ukraine and [Crimea](#)? Is that why Putin suddenly reattached Crimea to Russia?

Could it be that the Ashkenazim’s plan is to take back and re-settle their ancient Khazaria after [the Downfall of Apartheid Israel](#)? Is it why the duly elected President of Ukraine was forcibly removed in 2014 in order to install a puppet government with a new Prime Minister named Arseniy Yatsenyuk, who according to [The Guardian](#) was playing down his Jewish roots?

Arseniy Yatsenyuk was later replaced by another Jew, [Volodymyr Groysman](#), with a Jewish President, [Volodymyr Zelensky](#), a smutty and crass comedian (see video immediately below) recently “elected”, thereby making Ukraine at that point the only country in the world, besides Apartheid Israel, whose [President and Prime Minister were both Jewish](#), thus indicating [the direction the country was headed](#).

Will the Ashkenazi Jews be okay with [just Ukraine](#) as their new base wherefrom they will project Jewish power to destroy their perpetual Russian nemesis, along with all other imagined enemies, and preserve their grip on the Federal Reserve?

Revenge Round 3? Nyet.

The Jewish Cabal controlling the Western world thought that Russian forbearance in the face of their unrelenting aggression in Ukraine to destabilize their country was weakness, and therefore miscalculated.

“It is a fact that over the past 30 years we have been patiently trying to come to an agreement with the leading NATO countries regarding the principles of equal and indivisible security in Europe,” said Putin in February 2022. “In response to our proposals, we invariably faced

either cynical deception and lies or attempts at pressure and blackmail, while the North Atlantic alliance continued to expand despite our protests and concerns. Its military machine is moving and, as I said, is approaching our very border.”

Now Russia has acted, and after a long hibernation the Bear has awoken with fury. Putin has ordered his army to [demilitarize and de-Nazify Ukraine](#) (i.e., Ukraine is to be reverted back into Russia’s orbit and away from Jewish control).

“President Putin’s special military operation to defend the people of Donbass from an imminent general offensive by the neo-Nazi regime in Kiev not only is it fully justified in international law by Article 51 of the Charter of the United Nations, but it is fully consistent with the military praxis and doctrine of the legitimate self-defense of States in the face of an imminent threat emanating from a neighboring state or enemy forces,” [explains](#) Heinz Dieterich, director of the Centre for Transition Sciences (CTS) at the Autonomous Metropolitan University in Mexico City, and coordinator at the World Advanced Research Project (WARP).

And if the Zionist/Neocon conspirators and their bought-and-paid-for Western politicians did not get the message clearly, Putin made this unequivocal pronouncement:

“I would now like to say something very important for those who may be tempted to interfere in these developments from the outside. No matter who tries to stand in our way or all the more so create threats for our country and our people, they must know that Russia will respond immediately, and the consequences will be such as you have never seen in your entire history. No matter how the events unfold, we are ready. All the necessary decisions in this regard have been taken. I hope that my words will be heard.”

“I saw the prosperity of the wicked... Their strength is firm... Pride serves as their necklace; Violence covers them like a garment... This is what the wicked are like—always free of concern as they go on amassing wealth... Surely (Lord) You place them on slippery ground... How suddenly they fall and are destroyed, completely swept away by terrors!” Psalm 73:2,4,6,12,18,19

CONCLUSION

Russia has been in the crosshairs of the Jewish elite for more than a century, and its very survival depends on it pushing back with all its might.

In fact, in confronting the [Israeli-trained](#) Ukrainian neo-Nazi proxies of this [satanic Jewish cabal](#), which hopes to [subdue the world](#) and [destroy the Christian foundation of Western civilization](#), Russia is fighting not just for itself but for the West and all of humanity.

A win for Russia will begin the destruction of the financial system by which this Jewish mafia is controlling the world. Russian Andrei Bezrukov, member of the Presidium of the Council on Foreign and Defense Policy, [concurs](#) thus:

“I want to state the fact that the West succeeded in dragging us into this war. No matter how we tried to resist, this is their tactical victory. They succeeded in colliding two brotherly nations against one another.

“From this we can draw the following conclusion – now we have been practically forced, especially after the latest packet of sanctions, into a position where we have no other choice but to totally restructure our economy, financial system, and in essence our domestic policy. “The point is, by tactically winning and by successfully quarrelling us with the Ukrainian people – war, naturally, is the ultimate level of quarrel – they have not understood that by

doing so they have totally destroyed the very system which they had built in the world. It is not visible yet, but in a few months their severed financial chains, broken ideological messages, and broken security system will become apparent.”

Bloomberg appears to be of the same mind and [concludes](#) as follows: “Booting Russia from the critical global system – which handles 42 million messages a day and serves as a lifeline to some of the world’s biggest financial institutions – could backfire, sending inflation higher, pushing Russia closer to China, and shielding financial transactions from scrutiny by the west. It might also encourage the development of a SWIFT alternative that could eventually damage the supremacy of the US dollar.”

“Whoever digs a pit will fall into it and whoever rolls a stone, it will roll back on them.”
Proverbs 26:27

ADDENDUM

The Destroyers Of The World

“We Jews, we, the destroyers, will remain the destroyers forever.” – Maurice Samuel

Bolshevik Revolution: The Jewish Bolsheviks, who took over the Russian government in the 1910s, killed [66 million Christians](#), including 200,000 members of the [Christian clergy](#), and destroyed 40,000 churches.

World War 1: Britain was losing the war against Germany. The Zionists stepped in and [manipulated](#) President Wilson to get the US into the war to help them. In return, the Jews asked the British Empire to deed them Palestine to create Israel. Their wish was granted in the form of [the Balfour Declaration of 1917](#), which cost the world 18 million dead.

World War 2: The Zionists fomented that war (just like they’re doing today with Iran and other countries in the Middle East), so that European Jews could [feel threatened](#). The deception worked as European Jews fled in droves to [Palestine](#) and took over the homes of Palestinians, who were [evicted](#) at gunpoint and then either massacred or driven out of their land into neighboring Arab countries. With enough Jews on the ground, Israel was created in 1948 at a cost of 80 million dead.

World War On Terror: [Jewish neocons](#), in cahoots with their bought-and-paid-for politicians in the US government, [perpetrated](#) their act of terrorism on [9/11](#). Then they conveniently [blamed it](#) on Muslims so as to obtain a green light to destroy [the Middle East](#) using the armies of the US and NATO and the terrorist groups they finance, with the ultimate view to creating [Greater Israel](#). So far, the death toll is [27 million](#), including [Christians](#).

World War 3: With Russia protecting Syria and Iran from Israel’s Machiavellian design, will the [Zionists](#) succeed in bringing the world once again to the brink of disaster to create [Greater Israel](#)? If they do, will it instead bring about their [downfall](#)?

Sequitur: As befitting the deceivers and murderers that they are, the Zionist VICTIMIZERS of the world shamelessly [camouflage](#) themselves as [VICTIMS](#), with [Israel](#), their monstrous spawn, carrying on their [blood-filled](#) legacy. Indeed, [apartheid](#) Israel is [a scourge](#), [a cancer](#) that needs to be dealt with.

Appeal: Every conscientious individual should implement a personal [boycott](#) of Israel and everything made there.
