

## MAHA has concrete proof for court evidence SARSCOV2 does not exist

*Editor's note: Considerably more evidence that supports this article can be seen on Drs Sam and Mark Bailey's website, drsambailey.com.*

THERE IS NO SARSCOV2 VIRUS And hence, there is no Covid19 Pandemic

It is all a huge fraud

All thanks to a wonderful German Engineer, Marvin Haberland, and a great American researcher Christine Massey and an incredible German biologist, Dr Stefan Lanka and many others.

Christine has proved through hundreds of FOI requests and responses, that the SARSCOV2 virus has never been isolated anywhere in the World.

See <https://bit.ly/3oK2RCg> and <https://bit.ly/41Efi0Y> and the hundreds of FOI's on Christine's website <https://bit.ly/3AxNKyA>

When Greg Hunt, the then Australian Federal Health Minister was questioned by Solihin Millin he responded with a pathetic letter (see <https://bit.ly/3JVOYGf>) stating he was unable to prove the explicit existence of the SARSCOV2 virus other than through citing the results of a single pseudo-scientific experiment carried out by the Doherty Institute associated with the University of Melbourne in Australia. (Editor: The Doherty Institute had connections to US biolabs in Ukraine)

For the results of a scientific experiment to be validated a second precisely similar experiment must be carried out without introducing the supposed causative agent, in the case of the Doherty Institute, a human sample supposed to be infected with the SARSCOV2 virus.

Marvin Haberland was astute enough to question this Doherty Institute pseudo-experiment, and the Doherty Institute under FOI (Freedom of Information) confirmed that the Doherty

Institute never carried out a control experiment, thereby scientifically invalidating their findings.

Further, a great German biologist Dr Stefan Lanka showed through running the missing Doherty Institute control experiment that the results using a placebo (inert substance) resulted in exactly the same experimental outcome. (see <https://bit.ly/40GjThN>)

Marvin Haberland was fined by the German Covid19 authorities and refused to pay the fine, so he was taken to court.

Here is his complaint (translated into English) <https://bit.ly/40BWjD7>

Marvin Haberland has won his case in Germany heard on the 26th April 2023.

This is now hard scientific and legal evidence for MAHA to raise in our up and coming Australian Federal Court Class Action that the SARSCOV2 virus does not exist.

Hence Covid19 does not exist since it is meant to be caused by the non-existent SARSCOV2 virus.

And hence Covid19 is a total fraud.

In addition there is a great deal of proof that the PCR test and associated false positives that was used to create the false Covid19 cases, is completely false and cannot be used to test for a disease.

A Portuguese court confirmed this – see <https://bit.ly/41VMK2E>

As did a request for retraction of the original Drosten paper recommending the PCR test to test for SARSCOV2 and hence Covid19

(see <https://bit.ly/3Lx5INb> and <https://bit.ly/3NipFDo>)

Further huge amounts of evidence are available to MAHA confirming that the Covid19 Pandemic has been falsely constructed to enable the distribution of otherwise illegal, dual

purpose gain of function poisonous bio-warfare mRNA based nanotechnology gene altering injections and other lethal and harmful nano substances by the United States of America Department of Defence.

What has been called the SARSCOV2 virus is a chimeric (made by humans) in silico (only exists in computers, created by human imagination) biological poison developed for bio-warfare. (see <https://bit.ly/3zHGuQ6>)

We've won

In addition we have hard evidence that the Australian TGA has hidden death statistics in order to support the false Australian Government Covid19 injection narrative.

(see <https://bit.ly/3Lb4791> and <https://bit.ly/3LubEBb>)

With these simple facts which will be presented via the MAHA Class Action to the Australian Federal Court we have proved the falsity of the entire Covid19 Plandemic

Australians rejoice

You are about to be compensated for this hugely destructive shocking lethal and injurious fraud that the Australian Governments have inflicted on us all.
