

# A Brutal Russian Take on Zionism

From Henry Makow, HenryMakow.com, 11 July 2024

**The real issue is *Jewish Power* posing both as Right and Left, nationalist and globalist, Zionist and Communist.**

In 1991, Vladimir Stepin wrote: **"The Jews must have, and will have, undivided, absolute power over the whole world. The only point is that the money and the power, but particularly the power, will be achieved soundlessly, without attracting attention, and without occupying the leading roles until the very end."**

This is why resistance -- "anti-Semitism" -- is banned.

"We have already...possessed the minds of the goy communities...[they are] looking through the spectacles we are setting astride their noses." (*Protocols of Zion*, 12)

**[The Nature of Zionism \(1991\)](#)**

**(Excerpts by henrymakow.com)**

**The foundations of Zionism** were formulated in ancient times, some three thousand years ago, and they are:

1. The Jews are God's chosen people.
2. All other peoples are merely two-legged animals (goys).
3. The Jews have both the right and the obligation to rule the world.

"You must understand, the leading Bolsheviks who took over Russia were not Russians. They hated Russians. They hated Christians. Driven by ethnic hatred they tortured and slaughtered millions of Russians without a shred of human remorse.

It cannot be overstated. Bolshevism committed the greatest human slaughter of all time. The fact that most of the world is ignorant and uncaring about this enormous crime is proof that the global media is in the hands of the perpetrators."

- Aleksandr Solzhenitsyn

The second and third points of this three-in-one formula actually follow from the first. The formula, which was the brainchild of an undoubtedly talented politician, was among the foundations of the religion of Judaism (see the *Book of Deuteronomy* in the Old Testament).

At that time people understood very well that if one is to lend force to one's intentions, one must express them as religious ideas. And one must also strengthen not only the religion but also its influence on people. ...

Another point is that the power of this formula lies in that it **legitimizes and sanctifies the idea of robbing other nations**. Why need we care about two-legged animals? If we are the chosen people and it is our inalienable right, and even our duty, to rule other peoples, then God himself ordered us to grow rich at their expense, as the saying goes.

In this way, nationalism is placed on a material basis. Rob and rule! Rule and rob! Money and power! From the time the above-mentioned formula begins to operate, this becomes both a means and an end, but it nevertheless also becomes a

more important means, a means for attaining the main objective contained in the third item of the formula: the Jews must have, and will have, undivided, absolute power over the whole world. The only point is that the money and the power, but particularly the power, will be achieved soundlessly, without attracting attention, and without occupying the leading roles until the very end.

### **ZIONISTS SET UP CONCENTRATION CAMPS FOR NON-JEWS ACCUSED OF ANTISEMITISM WHICH THEY ORGANIZED**

During the civil war in Russia, the Zionists also performed another task. Using some units of the Red Army - Trotsky was the chairman of the country's Revolutionary Military Council - they organized the Jewish pogrom in Seversk. The result of this was the "*Law on Those Involved in Pogroms*" of 27 July 1918.

## **Honest Jew Rabbi Harry Waton says Hitler was right and that Judaism is poison to the Aryan races**

**"[Adolf Hitler] has no doubt in his mind that the Jewish problem is the center of all problems, not merely in Germany, but in the world. It is useless to dismiss this as an illusion, because if it is, it demands explanation. But it is no illusion. It is the truth. Hitlers declaration that the Jewish consciousness is poison to the Aryan races is the deepest insight that the Western world has yet achieved in its own nature; and his capacity to realize this is the proof of his genius"**

In accordance with this law, a monstrous Zionist terror raged in Russia for ten years: a person accused of antisemitism was, without any argument being allowed, declared to be involved in pogroms and placed against the wall to be shot. Not only anti-Zionists, but the best representatives of the intelligentsia of Russia, could be accused of being antisemitic, and so too could anyone one felt like accusing of it. People saw who was exercising power in Russia and expressed their discontent with it. 90% of the members of the Cheka - the Soviet security organ, 1918-1922 - were Zionists.

Apart from the law on those involved in pogroms, the Zionists practised genocide against the ethnic groups inhabiting Russia, and they did so by accusing people of counter-revolutionary activities, sabotage, and so on, irrespective of whether or not the people in question really had conducted

such activities. It was standard practice merely to put them against the wall to be shot.

The major operations conducted by the Zionists included setting up a system of prison camps. Skilfully using as a pretext the interests of discipline and orderliness, Trotsky and Dzershinzky organized the concentration camps in 1918. These were monstrous machinery for exterminating the people of Russia, machinery of oppression and intimidation, machinery of undivided power.

[MAKOW- If I were a betting man, I'd say Zionists put Hitler into power.]

## **MONEY IS POWER**

The Zionists' money is their most important tool. Money is power - that is a well- known truth. **But does everyone know that in the USA, for example, over 70% of the capital belongs to Zionists, and that their capital prevails all over the world?** They have been accumulating it for centuries. The gold of all times and nations is amassed in the vaults of their banks. Both in the past and today, the Zionists' finances have not only served the basic function of finance, namely the principle that money brings more money, but have also been ...used to finance one measure or another, to provide loans, to organize conquests, wars and coups, to bribe persons in office, to bribe and finance leaders, groups, parties, to hire armies and bands, to develop trade and industry, to raise matters up or to bring them to destruction - all depending on the tasks being pursued by the Zionists.

In this connection, the corrupting power of money is colossal. A person who has become keen on the idea of accumulating money in order to obtain some benefits or other is already to some extent in the clutches of Zion. By operating with benefits and money, the Zionists can easily make such a person do the things they require: making jobs available, carrying out measures necessary to the Zionists, exerting pressure on unwelcome persons, taking part in financial machinations, and the like. When such a person enters into financial contact with Zion, he quickly understands its strength and bases himself on it. It is not difficult to continue to work on such a person in the spirit required by Zion and turn him into a reliable and obedient tool of Zionism.

## **FREEMASONRY**

Zion has many arms, and one of them is Freemasonry. Freemasonry practically came into being along with Zionism and is its fellow-traveller.

The Freemasons fulfill approximately the same role for Zionism as the Jesuits do for Roman Catholicism. The early Freemasons were the builders of the Temple of Solomon.

Large numbers of secret Freemasonic lodges have at all times served as a means of fooling people by promising to build a better world, a world of goodness, charity, equality and justice, but in actual fact as a means of enticing people into the nets of Zion, of placing them under Zion's command and, through those people, directing countries and events. There is a distinction between Jewish and Gentile Freemasonic lodges and organizations.

The Gentile ones are of course lower in rank, but it is precisely through them that Zion exercises direct control. Influential politicians, public figures, scholars, persons active in literature and art, military men, members of the administrative machinery, and the like, are drawn into the Gentile lodges and organizations, and it is through such people that Zion's decisions are put into effect.

Freemasonry is strong. But it is still only one of the arms. The head is Zion. Freemasonry must be combated. But the main blow ought to be dealt against Zionism, which controls Freemasonry. At the same time, one should bear in mind that, even without Freemasonry, Zion, by using its own strength, has achieved, is achieving and will achieve its own objectives if it is not stopped.

**Note** -- Leyba Davidovich Trotsky, whose real name was David Bronstein, said: "We must turn Russia into a desert populated by white negroes upon whom we shall impose a tyranny such as the most terrible Eastern despots never dreamt of. The only difference is that this will be a left-wing

tyranny, not a right-wing tyranny. It will be a red tyranny and not a white one."

"We mean the word 'red' literally because we shall shed such floods of blood as will make all the human losses suffered in the capitalist wars quake and pale by comparison. The biggest bankers across the ocean will work in the closest possible contact with us. If we win the revolution, we shall establish the power of Zionism upon the wreckage of the revolution's funeral, and we shall become a power before which the whole world will sink to its knees. We shall show what real power is. By means of terror and bloodbaths, we shall reduce the Russian intelligentsia to a state of complete stupefaction and idiocy and to an animal existence... At the moment, our young men in their leather jackets, who are the sons of watchmakers from Odessa, Orsha, Gomel and Vinnitsa, know how to hate everything Russian! What pleasure they take in physically destroying the Russian intelligentsia - officers, academics and writers!..."
